

August 6th , 2019

Welcome to the Burnaby Children's Centres Society Kinder Care Program.

We are excited to be able to continue care for your child as they grow into the Public School System.

The schedule for your child's day (once school is in full swing) will be as follow:

7:00- 8:30 – Free Play

Your child may be dropped off any time between 7:00 AM and 8:30AM – while the children will not be walking down to the school until 8:30 please remember that it is difficult for many children to have too many transitions close together. If you are planning to use the morning care please bring your child with enough time to play before they leave for school.

8:30 – 8:55 – walk and deliver to kindergarten

3:03 – a teacher will meet the kindergarten children just outside of their classroom.

It is imperative that you call and let us know that your child is ill or away from school for the day so that the pickup teacher is aware of who they are picking up.

3:30 – snack

BCCS will be providing a snack and children will also be welcome to eat any left-overs from their school day.

4:00 – 5:00- Project Time

5:00 -6:00 Free Play

As we will be operating a pre kinder program in the same space as the Kindies program it will be imperative that we have ongoing open communication. If for any reason your child will not be attending please notify the manager at bccs@telus.net.
